CARROLL, Robert (Bob) (NS)

P.O. Box 157
Hana, HI 96713

Contact Number: (808) 248-8269

E-mail: hana@gte.net

Web Page:

Councilmember Robert Carroll is involved in solving the problems of our county. One of the more important solutions he contributed to was the improvement of the traffic flow at the junctions of Haleakala and Hana Highways, until recently gridlock starting at Dairy road frustrated motorists traveling to upcountry on Haleakala Highway.

Also in his past four years in office, he has dealt with expanding ambulance service in Kula to 24 hours, and acquiring helicopter emergency response for all of Maui County by active participation with Maui Memorial Medical Center and our state legislature. A balanced voting record combined with a tremendous capacity for cooperating with all parties makes Bob very effective.

His experience encompasses public service, operating a small business and working for Hawaiian Telephone on Maui gives him the background necessary to be a dynamic council member. He always considers of being of service to others, and is one who will listen to the concerns and opinions of all Maui's citizens.

Bob Carroll is running for the East Maui (Hana) seat on the Maui County Council. This seat is elected at large by all of Maui County's voters. If you are qualified to vote in our next county election, no matter where you live, you can vote for Bob.
